## FROM THE HEAD OF SCHOOL

February 2, 2023

### PROGRESS REPORTS

This coming week is progress report week, which means that we are already halfway through the third 9-weeks. Please be checking your student's attendance to make sure that you've sent excuse notes for any absences.

### INDOOR TRACK STATE MEET

The following student-athletes qualified for the state indoor track meet in our first year of competition: Carson Limbaugh, Eli Mitchell, Brady Whitworth, Jack Strautman, Mason Blackstone, and Vin Montgomery.

They will be participating tomorrow/Friday in Birmingham at the Crossplex.

### BASKETBALL AREA TOURNAMENT

This coming week is also the area tournament for our varsity basketball teams. Both girls and boys teams will be playing at Winterboro this coming Tuesday – the girls at 3:00pm vs. Wadley and the boys to follow at 4:30pm against Donoho.

Please drive down to Winterboro to support your Lions basketball teams in these "lose and it's over" games on Tuesday.

### SPRING SPORTS

It's hard to believe that spring sports have already started!

Tennis played last Saturday, while soccer starts this coming week.

This means that two-thirds of the school year is over and that we are now in the last third.

### GRANDPARENTS' DAY

Grandparents' Day is Friday, February 17, for our lower school students. The times and schedules for the day were emailed out earlier in the week along with a digital invitation for grandparents.

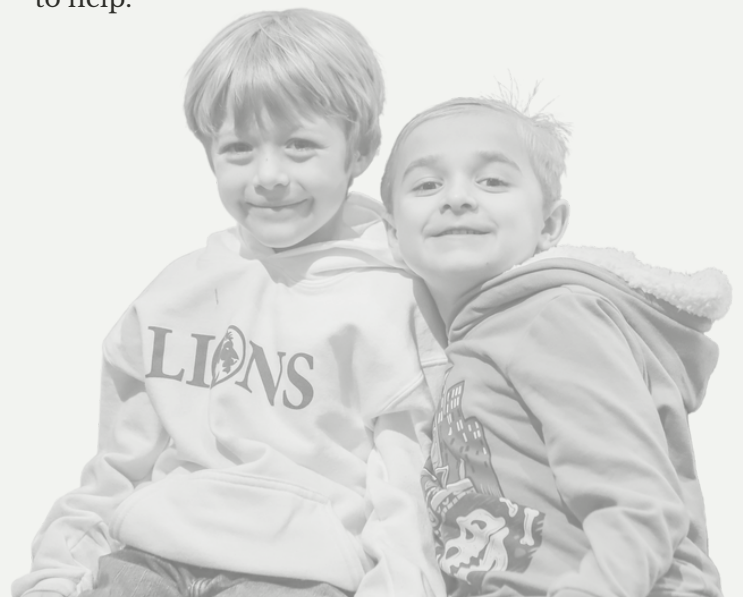

### GOT USED, BUT USABLE LAPTOPS?

There is a missionary to Uganda who is starting a school and needs old/used but usable laptop computers. If you have any sitting around your house, please get those to the school office to send with the missionary. Thanks.

### RE-ENROLLMENT FOR THE 2023-24 SCHOOL YEAR

All current FCS families should have received a re-enrollment email on Wednesday of this week.

If you have any trouble during the re-enrollment process, please feel free to call the office and one of us would be more than happy to help.
